

To Gift Securities to Silver Hill Hospital

Securities held in a brokerage account may be transferred electronically into the Silver Hill Hospital account at Merrill Lynch in Stamford, CT. Please provide your broker with the name and address of our Merrill Lynch representative:

DTC #:	5198
Bank Name:	Merrill Lynch
Attn:	Toni Janeczko
Address:	301 Tresser Boulevard Stamford, CT 06901
Phone:	(203) 356-8647
Account Name:	Silver Hill Hospital
Account #:	877-04A16

When making your transfer, it is very important that you notify us in writing in advance with the following information – your name, your address, and the name and number of securities you are donating. This information may be emailed to mfallon@silverhillhospital.org or faxed to Missy Fallon at (203) 966-9336. This is because when shares are transferred broker to broker, only the name of the stock and the number of shares are communicated, and not the donor's name. Therefore, with advance notice, we will be able to match you to your stock gift and acknowledge your gift with a letter for tax purposes.

To donate securities for which you have a stock certificate in hand, please contact the Development Office directly for instructions on how to do so.
